

VAN LINT STUDENT SPORTS WEEK

Squash

Team size: 4

Duration of a game: 15 minutes

Rules:

Every team consists of 4 players. In advance it will be determined who the numbers 1 till 4 will be. Number 1 will be the best player and number 4 will be the worst. The matching numbers will play against each other, so number 1 versus number 1 etc. A team loses the match automatically if they are not present at the starting time of the match.

Each individual match will take 15 minutes, of which the first 5 minutes will be to warm up. The moment to change and the moment when the game starts (after warming up) will be announced by air horn.

When you win a rally you will always get a point, whether or not you served. The match is played on points, not on sets. The player who has the most points when the air horn sounds will have won the game. There is no draw! If there is a draw, another rally is played to determine the winner. After the game (the referee will keep track of the time) the amount of points and the winner will be noted.

For example:

	Team		
Player	1	2	Player
1	25 (1)	17	1
2	12	33 (1)	2
3	15	18 (1)	3
4	19	23 (1)	4
Total (1)	73 (1)	91 (3) + 1	Total (4)

We will look at the amount of games which the team has won. In case of a draw the team which has the highest amount of combined points has won. In the example team 2 won 3 matches so will be the winner.

The winner gets the amount of won games + 1 as points, so 4 in the example above. A team can get a maximum of 5 points (4+1).

The teams will be divided in poules of 4 teams. All the poule winners will advance to the finals on Thursday. In the finals the match will be played with sets instead of points. The person who gets 2 sets first will be the winner. You win a set when you get 11 points.
