

# VAN LINT STUDENT SPORTS WEEK

## Tag Rugby

**Team size:** 5

**Duration of a game:** 10 minutes

### Rules

The objective of the game is to score as many points as possible by making touchdowns behind the back line of the opponent.

Each player has a tag rugby belt attached to them/their pants.

You may only throw the ball backwards (towards your own goal).

If your tag rugby belt has been removed by the opponent, the game stops. The defender who removed the tag rugby belt places the tag rugby belt where it was pulled from the pants. The ball is placed where the tag rugby belt is. The belt may be taken back by the player who lost it, the attackers retain possession of the ball.

Both sides must remain on their own side of the ball during the withdrawal.

The attackers are allowed to take the ball back out again at this point. The taker is not allowed to run with the ball himself.

You can score points by making a touchdown behind the back line.

After 6 tag rugby belts drawn, the other team gets the ball.

The team with the most points at the end of the game wins.
