

VAN LINT STUDENT SPORTS WEEK

VolleySquash

Team size: 4 (2 per match)

Duration of a game: 12 minutes

Rules:

Volleysquash is a volleyball variant played on a squash field. The goal is to score points by letting the ball bounce on the floor twice after hitting the back wall of the court.

You can pass the ball twice between the players of a team before having to hit the back wall. You are only allowed to use your hands.

The service is played from behind the middle line of the court, and after hitting the back wall it must touch the floor behind the middle line again.

A match stops when one team reaches 11 points. If this is not reached within the 12 minutes that the game lasts, the number of points after 12 minutes is used to determine the winner.

Two teams of 4 people plays two matches at the same time, 2 vs 2. The winning team is determined by adding up the number of points from both halves of the team, where the team with the most points in total wins the game.

In case of doubt, the referee is always right.
