

VAN-LINT STUDENT SPORTS WEEK

Basketball

Team size: 5 + 2 reserve players

Duration of a game: 12 minutes

Rules:

During the Van Lint Students Sports Week, some of the rules of basketball are changed. These changed rules are as follows.

A team loses the match automatically if they are not present at the starting time of the match.

Players may switch continuously.

An “ordinary” score results in 2 points and a score of 3 points is rewarded if a ball is scored from behind the three-point line.

Men are not allowed to block out women in an unfair way. If men do so, the rule of the jump-shot is used.

If a player commits a fault on a player who is trying to score a point and the ball did not get in the basket, two points are rewarded. If the ball did get in the basket, one point extra is rewarded. Also the ball is given to the team on which the fault is committed.

For making an unfair or an intentional fault, two points are rewarded to the other team.

Rules such as 24-second attack, 3 seconds in the bucket, and getting in less than 8 seconds over the midline are not applied. The rest of the official basketball-rules are valid. These can also be found (in Dutch) on www.basketball.nl. If there are any unclear cases, the referee is always right.
